SERVING THE NORTHEASTERN &, MID-ATLANTIC STATES, FLORIDA & GEORGIA

Camden at College Park

MULTIFAMILY

Mid-Atlantic has assembled a strong track record of performance in multifamily construction. Over the last four years, Mid-Atlantic has averaged 1,250 unit completions per year, representing several projects for the National Multihousing Council's Top 50 owners or contractors. Mid-Atlantic offers a complete scope of services ranging from design build to project completion and whether your project is urban project or suburban, garden-style or high-rise construction, our diverse expertise, experience, and customer service makes us the right choice for your next multifamily project.

RETAIL/OFFICE

Mid-Atlantic understands the critical need to bring retail space to the market quickly, at a low cost and with seamless turnover to the owner and ultimately the tenant. After multiple projects including retail strip centers, grocery anchored neighborhood centers, power and lifestyle centers, Mid-Atlantic has the experience and time tested performance to accommodate the needs of national retail tenants and each owner.
